

We are please to announce that Bear Creek Productions, in association with Mansion Film Productions, has been chosen for the creation of the Multi-Episode Documentary of "**BOOT TO BOOT**". Each documentary episode will tell the true story of the 1st Battalion, 12th Calvary Vietnam Regiment in their courageous efforts to survive and win, in the horrors of a war half a world away from home.

Six individual episodes will be produced, beginning with training at Fort Benning, Georgia, and the first US Soldiers to set foot on Vietnam soil to the fall of Vietnam. It is important to note that the story will be told by the men who were there. Veterans of the 12th Calvary will be selected to be interviewed for the production. Each story will be combined with Department of Defense video footage and sound effects to bring the story to life.

It is our goal to not only tell the story of the heros of the 1st Batallion, 12th Calvary , but also pay tribute and honor their service to this country and pay homage to those that paid the ultimate sacrifice.

We look forward to working with the men that served and are willing to share their story.
